Dear Sir:

Re: Chas. Lennon Carruthers
NW 2-12-23-W.4th.

The above land changed hands some years ago and the solicitors for the estate of the subsequent owner approached this office for a compromised settlement of this account. No grounds could be established for granting a reduction and payment in full in the amount of $108.80 in accordance with the statement, supplied by yourself under date of August 14, 1951, was insisted upon and has been received.

Our Imprest Cheque # 42526 in the amount of $108.80, is enclosed herewith and it would be appreciated if you would kindly take the necessary action to release the lien with advice to this office.

Yours very truly,

W½ 13972 30

Dear Sir:-

I have just had handed to me an Agreement in regard to West half of section 2, township 54, range 7, West of the 4th Meridian. It appears that H. H. Harris filed on this in his own name and then traded it to Elmer Laboucane for his quarter, which was a homestead and for which he had received patent. They were both apparently ignorant of the law in regard to scrip not being exchangeable after being filed on until all the duties were performed. Harris afterwards sold the quarter he had received in exchange for this scrip and has gone to California. Laboucane has now fulfilled all the duties but finds himself unable to secure the patent, owing to the fact that Harris had filed on this half in his own name.

There was apparently no fraud intended nor evasion of the law, but in ignorance thereof this was done. Laboucane, if he loses this will practically lose all he has. Is there no way that this can be arranged so that he can secure the land on which he has performed all the duties required by law? Awaiting to receive a favourable reply, I remain,

Yours very truly,

H.N.S./E.P.

MEMO.

NE West half of Section 5, Township 14, Range 7, West of the 4th Meridian.

Mr. E. Labeuane apparently had a homestead entry for the above described land given for which he obtained patent.

A. M. Morris obtained a Military Grant for the land above referred to, and subsequently on the 11 June 19, filed the instrument appointing him as a substitute, which had been filed in the Department.

According to the evidence on file Mr. Morris traded his South African scrip with Mr. Labeuane for the homestead and after the transfer had been completed Morris apparently proved the quarter-section and received his discharge and went to California.

Mr. Labeuane (who is a French half-breed and does not speak any English) now applies for patent for the South African Volunteer Grant, and the question is whether Morris, after the transfer to Labeuane, still retains his right to the land, or whether all the latter were to do was to prove the required residence thereon, and if he had entry therefor would be entitled to patent the same.

According to the Homestead Inspector's report the transaction was made a straight trade. He considers that the same was carried out through ignorance and suggests that Mr. Labeuane be granted patent.

As Mr. Morris has

J.W.Greeney, Esq.,

Commissioner Dominion Lands,

Ottawa, Ont.

As Mr. Morris has been registered as the substitute, and as the Volunteer Bounty Act does not provide for a second substitute, there is apparently no way under the Act whereby Mr. Labouceane could obtain entry for this land. It seems hard for Mr. Labouceane to have performed all the residence and done the required duties thereon and then to be derrived of the land, but I can hardly see what course to follow.

The land might be sold to Mr. Labouceane at $1.00 an acre, but this would entail hardship.

If there is any way he could obtain title to this land, I would recommend that this be allowed, taking into consideration the whole facts of the case, the fact Mr. Labouceane traded the land in good faith and apparently entered into the transaction through ignorance thinking that all he had to do was to perform the duties and obtain patent for the land.

Respectfully submitted.

W. J. H.

P.V. The Deputy Minister of the Interior

Ottawa 11th March, 1913.

MEMORANDUM:

MR. GREENWAY:

There would appear to be no doubt that Mr. E. Laboucane acted throughout in ignorance of the law, as he would never have undertaken to exchange his patented homestead for the military homestead of Mr. Marris if he had known that the transaction was illegal.

Under the circumstances, we would be quite justified in treating the matter as a special case and allow Mr. Laboucane to purchase the half-section at $1.00 per acre. As a matter of fact, he has completed all the duties on the land which he now holds.

Deputy Minister.

J. Lorne Farmer, Esq.,
Registrar of Lands,
Department of Mines and Resources,
Ottawa, Canada,

Dear Sir:-

Re: Robert Farries, SE-24-9-14-W4th.,
File 1348136,

We are obliged to you for your letter of the 10th April last, enclosing statement as to relief furnished the above named farmer.

We have also received a letter from the Supervisor of the Collection Branch of the Department of Municipal Affairs of Alberta, Mr. Wm. Hewlett, written doubtless as a result of a communication from you, as you intimated in your letter that you were referring the matter to the Seed Grain Adjustment Board at Edmonton.

For your information we might explain that the Municipal District of Eureka, in which this land is situated, sold the dwelling situated upon the land after it had acquired title for default in payment of taxes. The amount realized from the sale was $[illegible].00, and after payment of the taxes owing there remains the sum of $169.11 in the hands of the Municipal District. They are quite willing to pay over this surplus to Mr. Farries on receipt of a court order as provided under the Tax Recovery Act of the Province. The only question to be settled is as to the person entitled to receive this money.

Mr. Hewlett states in his letter to us that if this were a claim of the Provincial Government no objection would be raised to Mr. Farries obtaining this surplus, seeing that he was forced off the land through crop failures due to climatic conditions after spending all his money and considerable labour endeavouring to make a living in that dry district. He points out that the land would, of course, still remain as security for the Dominion Liens, and in the event of a sale by the Municipality a portion of the account would be recovered by the Dominion Government. Possibly he has already written to you direct to the same effect.

Mr. Newlett further says that in his experience this is a somewhat unusual case, and in fact a type that he has not experienced before, but he cannot see any objection to what has been done if the Municipality on the appropriate Order from the Court will pay over to Mr. Farries the surplus of $109.11 which has accrued from the sale of a building which was treated as a chattel, and not an integral part of the property.

We are quite sure that the Court will give us an Order directing the Municipality to pay over the surplus money to Mr. Farries, if the Province and the Dominion waive their claims to it. Under the circumstances this would be only fair to Mr. Farries, who would even then receive very little for the money and labour spent by him on the land.

We would be obliged if you would give the above your sympathetic consideration, and advise us as to what view your Department takes in the matter.

Yours truly,

It is understood that your Municipality has taken title to this land for arrears of taxes. It is also understood that the building situated thereon has been disposed of for $[illegible] and that there is a surplus of $[illegible].11 over and above the amount due for taxes. Mr. Harries received advances of seed grain, fodder and relief from this Department in 1915. The advances were made on the security of this land in accordance with an agreement entered into on the 13th February, 1915, between the Dominion and the Province. The said agreement was ratified by an act respecting seed grain, fodder and other relief, Chapter 14, Alberta 1915, and Statutes of Canada 5 George V, Chapter 22, assented to the 10th April, 1915.

The several liens taken as security are properly registered in the Land Titles Office. These liens take priority over all other liens, municipal taxes, etc., as provided in section 3 of the Act above referred to. The dwelling situated on this land, disposed of by your Municipality, was part and parcel of the real property held as security by this Department and referred to in the act previously mentioned.

Dear Sir:-

Re: Robert Farries,

#1[illegible]36,

We have yours of the 10th instant, and note that your Department can hardly waive its claim to the money held by the Municipal District of Eureka, and that the District could be asked to remit the money held by it to your office.

We regret that you cannot waive your claim, as we feel that the money available would be only a little way in reimbursing Mr. Farries for the time, labour and money that he spent on this land. He is a heavier loser that your Department, since the Department would still have the land as security for its claim.

It is our understanding that the District will require [illegible] this money. That municipality is [illegible] Act under which the District was acting. The majority of the District have that as their position in a letter done some ago. If an Order is necessary from the Court we could be agreeable to [illegible] one if your Department would agree to share equally with Mr. Farries in the money. This would be without expense to your Department.

We would ask you, if possible, to reconsider your decision, and advise us if you could agree to the above suggestion.

Many thanks for yours of the 22nd ultimo advising that the Municipality has taken title to this property through tax recovery proceedings, also that the house (reported sold for $150), has not been moved from the property but was there at the time of writing.

You mentioned that the claim for taxes at the time of final acquisition was $147.39, but that the claim for taxes at the present time is only $32.32. Does that mean that a certain amount of taxes were cancelled?

Would you also please advise the date of tax sale, the date your Municipal District took possession and began leasing this land, and the date it obtained title. Has the land been offered for sale, and if so, what is the amount asked, and yearly taxes?

Re: SE¼ 24-9-14 W4.

Dear Sir:

In answer to your letter of September 23rd, we supply the following information.

Taxes were not cancelled on this land. There were payments made by the former owner on account of the taxes in 1938, 1939 and 1940. The proceeds from the rental share of the 1941 crop was also applied on account of the taxes in 1941.

The tax sale respecting this land was held on September 28th, 1935. The period of redemption would expire on September 28th, 1939. The outstanding taxes at September 28th, 1939, were $147.39.

The municipality first leased the land in 1941. The arrears of taxes on January 1st, 1941, were $80.82, to which has been added $6.11 penalties to date and $12.65 for the 1941 taxes and $14.30 for the 1942 taxes, less $61.56 paid on account of the taxes in 1941 from the 1941 crop proceeds. The balance of the taxes are $52.32 at this date.

Title was registered to the municipality on June 3rd, 1941. Taxes on this land have been from about $12.00 to $14.00 per year for the past several years.

Re: Account of Robert Farries
S.E. 24-9-14-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 seed grain, fodder and relief amounting to $403.09 were advanced to Robert Farries on the security of the above mentioned land. Payments of $76.15 and $182.57 were received in 1915 and 1943, respectively, and applied to the principal and interest. The present standing of this account is:

Principal	Interest	Total
$ 330.00	$ 445.68	$ 775.68

Patent was issued in the name of Robert Farries for the S.E. 24-9-14-W4 on the 12th of October 1911 and later became subject to the 1915 liens.

In 1928 the land became subject to forfeiture proceedings for nonpayment of arrears of taxes and title was acquired by the Municipal District of Eureka No. 65. A payment of $182.57 representing the proceeds from the sale of the house on the land and the 1942 crop was received from Municipal District of Eureka No. 65 in 1943 and applied to the interest of the account.

Title to the land has since been transferred to the Colonization Manager, Department of Water Resources and has not yet been allotted by the manager to a settler. It is still vacant and no longer being operated. It is not assessed as of any value (last assessed value - $240.00), or subject to taxation. As such the land no longer offers any security of value for our liens.

Under the circumstances it is recommended that the balance of the indebtedness be cancelled and the liens discharged.

Dear Sir:

Re: S.W. 24-9-14-W.4th.

We have your letter of the 24th of July, 1953, asking for an up-to-date statement of the account of Robert Farries charged against the above mentioned land.

The account of Mr. Farries was considered by the Seed Grain Advisory Board and in view of the low value of our security it was recommended that the account be cancelled without the requirement of any payment.

Authority to do this was obtained under Order in Council P.C. No. 18-980 on the 24th of June, 1953.

The Withdrawal Notice was forwarded to the Registrar on the 22nd of July, 1953, and no doubt by this time the title will be clear.

This is an application for consideration under section 13 of the Act.

The records show enlistment in January 1915 and discharge in May 1919, or sufficient military service to offset that which was required in the way of residence. There is nothing to show that there was anything done in the way of improvements.

"movements almost nil. There is pain on
"movement or on pressure below and in front
"of the external malleolus. Can walk on the
"pavements from one to one and one half miles
"but a much shorter distance on the rough."

The Board of Pension Commissioners were asked for data in this case and now report in part as follows:

DISABILITY: Bullet wound left foot.

"Statement: Aug. 14. (Ploeghsteerte.)

-back-

"back of heel. Small incision scar over
"outer side of 5th metatarsal. Foot still
"swollen. Can walk only short distance and
"then with pain.

"April 7,1919 M.F.B. 227.

Ottawa, 27th June, 1918.

Sir,

N.W.T. 1st - 54 - 4 - G. 5th M.

I am in receipt of your communication of the 17th instant, having reference to J. M. Smith, Local Secretary of the Canadian Patriotic Fund in Moncton, Canada, and Harry Jones.

You are advised that according to the records here the land above described was entered for by the 6th Jan., 1911, by one, Harry Jones, who at the time gave as his address 113½ - 6th Street, Moncton, his age 25, and that his family consisted of one female adult, presumably his wife, age 31, that he was a British subject, born in England and his last place of residence was Moncton, and his nearest relative in Canada.

It was further noted at the time of application that he previously had homestead entry for the South West ¼ of section 21, Township 13, Range 5, West of the 5th Meridian.

This is all the information the Department can furnish from the records here.

Your letter is the first intimation received here of the possible absence of the homesteader in this case on active service and his death in action.

Yours

F. F. Foisie, Esq.,
Division Director Civilian Relief,
American Red Cross,
Northwestern Division,
Seattle, Washington, U.S.A.

On the 5th instant Mr. Georges Colletier was advised respecting his application to purchase the surface rights of Legal Subdivision 8, Section 35, Township 7, Range 4, West of the 5th Meridian, that it was not for sale, and that the land was subject to other applications to purchase for sand and stone quarrying purposes.

The north half of this legal subdivision was already sold for stone quarrying purposes when the application of Mr. Colletier was received. The sand applications referred to need not now be considered. The stone quarrying application of Mr. W. J. Sinstead is subsequent to that of Mr. Colletier.

In order to deal with the application of Mr. W. J. Sinstead to purchase the south half of this legal subdivision for stone quarrying purposes, the sale of which would include the surface rights, please say whether this tract should not be offered to Mr. Colletier first as he appears to be the prior applicant.

of the full amount of the purchase price was received here within the time specified, and the sale to Mr. Beebe was confirmed.

The Departmental communication to you of the 3rd of March last, above referred to, should not have been written, as the land was not the property of the Crown on that date.

I am to express regret that, owing to the fact that this land has already been sold to Mr. Beebe, it will be impossible for the Department to carry out the sale to you.

Your obedient servant,

Secretary.

Both of these communications were sent out from Head Office. It would appear therefore that Mr. Reilly's company was advised that they might purchase the South half of Legal Subdivision 8, whereas it has already been disposed of to Mr. Beete under the Minister's instructions, which instructions were referred to the Patent Branch to note. It would appear that this error occurred through dealing with stone quarrying lands in two Branches of the Department. The South half of Legal Subdivision 8 had been disposed of in this Branch and a subsequent application being made for the same land, such application was dealt apparently at Head Office and the land promised to the subsequent applicant. Annexed hereto is a letter to Mr. Reilly explaining the circumstances.

Respectfully submitted,

E.F.S.

Memorandum.

On file herewith is an application made by Mr. W. Harrington Reilly, Secretary-Treasurer of The Rocky Mountains Cement Company, for permission to purchase the South half of Legal Subdivision 1 and the South half of Legal Subdivision 8 of Section 35, Township 7, Range 4 West of the 5th Meridian. This application was not received in this branch until the 10th instant.

On the 15th of December last Mr. E. G. Cote asked for a report with respect to the South halves of these two legal subdivisions, and in my report to him dated the 20th of December last, on File 26,397, I stated that the South half of Legal Subdivision 1 had been sold to J. P. Pelletier, and that the South half of Legal Subdivision 8 had been sold to Mr. W. A. Scott, for coal mining purposes in both cases.

It would appear, however, that on the 3rd of last Mr. Reilly was advised that the South half of Subdivision 1 had been disposed of as a mining lands that the South half of Legal Subdivision 8 in the records here. In the Departmental letter to you of the 3rd of March last you were informed that the South half of Subdivision 1 had been disposed of, but that the South half of Local Subdivision 8 was vacant in the records of the Department here. MEMORANDUM:

Mr. Fitzsimons,

Re S.E.¼ 15-6-1- W. 5th Meridian.

Please refer to Mr. Stafford's memorandum of the 4th instant hereunder, relative to part of the above mentioned quarter section.

The facts of the case are as follows:- By the 8th Dec. 1890 L.S. 1, 2 and southerly 3/4 of L.S. 7, were reserved as School Lands under subsection 8, section 10 of the Dominion Lands Act 1879.

By Order in Council of 17th Dec. 1904 L.S. 8 & N.E. ¼ of L.S. 7 were granted to the Calgary & Edmonton Railway Company on its land subsidy and patent for these areas issued on 17th May 1905 to the Calgary & Edmonton Land Co., as lessee of the Railway Company.

In July 1909 L.S. 1,2 & Southerly 3/4 of L.S. 7 were sold under School Lands Sale to Mrs. Isabelle Main thus S.½ of N.E.¼ of L.S. 7 has been patented to the Calgary & Edmonton Railway Company and also sold to Mrs. Main. The E. of N.W.¼ of L.S. 7 is apparently clear and available for disposition.

If the Calgary & Edmonton Land Company are still the owners of N.E.¼ of L.S. 7 it might be possible to effect an exchange, giving the Company N.E¼ of L.S. 7 in exchange for S.½ of N.E.¼ of L.S. 7 but as the patent was issued in 1905 it is doubtful if the Company still controls this land.

On the attached sketch the land patented on account of the Calgary & Edmonton Railway Company is shown in green and the area sold to Mrs. Main is shown hatched in red.

Sir,

Adverting to your letter of the 27th May last, from which it would appear that it is desired to obtain a portion of the N.W.¼ of Section IO, Township 9, Range 28, West 4th Meridian, I am directed to inform you that the procedure in regard to applications of this nature is as follows:- An accurate description of the parcel applied for and the full official designation of the School District must be furnished this Department; a patent fee of $10.00 must also be remitted; and, as in the present instance the parcel selected is included in a homestead entry, the written consent of the homesteader, the land being withdrawn from his entry, must be filed. Dear Sir

Replying to yours of 16 May file 1400378 You state in your letter that it will be necessary to obtain the consent of the homesteader before we can get a school site on N½ Sec 10 T 9 R 28, W 4 How long will we have to wait before obtaining this site without such consent I mentioned in my letters of 12 Feb and 23 April that the homesteader has not been seen in the locality for some years We understood that he had been sentenced to a term of imprisonment but having applied for him at the Penitentiary they say he is not known there We have our school in operation but cannot prove it ours, & are unable to find the homesteader he has evidently abandoned the land long ago

Sir,

I beg to draw your attention to the advice on form 41 dated the 5th instant, of the institution of cancellation proceedings against the entry of Steve Woltz, for the North West 1/4 of Section 19, Township 9, Range 25, West 4th Meridian, in which it is stated that the notice to show cause was called on the 5th of October, 1908.

It is probable that this is a mistake and was intended to read the 5th of November, 1908, for the reason that the form sets forth that you received an application from the local office on the 22nd of October, 1908.

This no doubt is a clerical error but indicates a want of care on the part of the clerk who filled up the form and as similar mistakes may lead to serious complications, it would be well to request him to exercise greater care in future.

I beg to submit Mr. N.O. Sir:

N. W. ¼ Sec. 10-9-[illegible], W. 4th M.

I beg to acknowledge the receipt of your statement of the 11th instant, and in reply to say that while you appear to be in good standing as to the residence duties and may have completed the same, you are in default as to the cultivation, as you have only 4 acres broken which you had in crop in 1914.

Entrants are expected in every case to bring the required area under cultivation. Where they have been unable to fully meet the requirements by reason of woods, rock, or the broken character of the surface, the area required may be reduced at the discretion of the Minister, and application for patent will be taken subject to acceptance of the same by Department after inspection and report by a Homestead Inspector; but inspections of land of this character are not made prior to application for patent.

Cultivation must be done in a crop of three years, during two of which the breaking must be in crop.

I might add-

Charles F. Thompson, Esq.,
Cleon Creek, Alberta.

I might add that if you are satisfied that you have completed the duties as required by the Dominion Lands Act, you may appear with two disinterested witnesses before the Agent of Dominion Lands or Sub-Agent for the district within which the land lies and make formal application for patent.

Your obedient servant,

Assistant Secretary.

Sir,-

N.½ ¼ Sec. 10 Tp. 9 Rge. 28 West 4 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Dear Sir:

I am instructed by the Trustees of the Olsen School District, to write you for permission to pass through your yard with the school House and other buildings, when the removal of the same takes place sometime during the month of July or August. not to point it at anyone. The Thompsons summoned the Alberta Provincial Police, and Const. Carter went out.

After negotiations by Const. Carter between the Thompsons and the Trustees, the Thompsons agreed to allow the passage of the buildings on condition that the Trustees pay Thompson the sum of $100.00 for the privilege, and to make good any damage. Two posts only had to be takne down of their wire fence and the Trustees replaced tnese by two new posts.

The cheque for $100.00 was paid to Thompson on December 3rd 1928 four days after the removal of the school.

The Trustees advertised the Old Site for sale or rent according to instructions from the Department of Education Edmonton, but no offers were received for sale and only one for rent, which was accepted.

In the face of all these circumstances and what it has cost the District, the Trustees feel that the District is entitled to receive at least the cost of the new Site viz $30.00 as part reimbursement of the $130.00 the District had to pay out in connection with the removal.

I may point out that the school was built in 1907, when the land was open prairie, and Thompson homesteaded the land in 1911 or 1912, at any rate the records show that he paid his first Taxes on November 7th 1912.

In 1914 an Official Trustee had to be appointed by the Department, solely on account of the trouble caused in the District by the Thompsons. and they have been a source of trouble ever since.

Trusting that you will give this matter your very serious consideration before granting a transfer of this land to the Thompsons without due renummeration to the District.

Yours very truly.

Dear Sir:

We understand that an application has been made to your Department by C.E.Tompason, Olsen Creek, Macleod, for the transfer to him of the old School Site on the N.W. ¼ of Sec 10, Township 9, Range 28 W.4Th Meridian.

I have been instructed by the Trustees to lay the facts of this case before you.

The original School Site on the N.W.¼ -10-9-28-4th was on the Road Allowance, but on account of Coulees on the road about 200 yards from the school, it was impassible for the children from the East to get to the school by the road. They had either to go round about a mile by the surveyed trail or go through Thompson's yard. Thompson objected to the children and the Teacher, who always lived East of the school, going through their yard. The Thompsons were in other ways causing trouble with the teacher and the children in the school yard.

The Trustees then decided to move the school on to the main road or surveyed trail on the S.W. corner of the N.E. ¼ - 10-9-28-4th., sanction to do so was granted by the Department of Education Edmonton and Title for same was received from your Department for the 3 acres, for which the Trustees paid your Department $30.00.

Thompson objected to the removal. On April 30th 1927, by instructions from the Trustees, I wrote to Thompson offering him the Old Site, for permission to take the buildings through his yard when being removed; copy of this letter is enclosed. On account of the Coulees the buildings could not be moved by the roads, the only way was through Thompsons yard a distance from the school yard to his line fence of 3 chains.

Mrs Thompson came into my office and informed me that they would not accept the offer of the Trustees, neither would they allow the buildings to go through their land, and that if they dared to go through they would be held up at the point of a gun. The Trustees decided ~~[illegible]~~ summer to take the risk and go through their land, and sure enough both Mr and Mrs Thompson came out and they had the gun, but they took good care

Re Special Grant No. 2659.

By Letters Patent of date 24th April, 1901, certain lands were conveyed to the Board of Trustees for Olson School District No. 1221, Olson Creek, MacLeod, Alberta,

"TO HAVE AND TO HOLD the same unto the said Corporation, its successors and assigns, so long as the same are and upon the trust and subject to the condition that the same shall be used for the purposes of a school site and for no other purpose or purposes whatsoever."

These lands are as follows:

Two acres in the North West quarter of Section 10, Township 9, Range 28, West of the 4th Meridian.

As you are aware, at the request of the Department, inspections of all special grants for specific purposes are being made, with the result that in this case information has been submitted by Inspector Wilcox, under date 2nd October, 1929, to the effect that there are no improvements on this site at the present time. There formerly was a school here but it was moved away. On advice from the provincial Attorney General's department, the school board offered this land for sale at auction but received no bids, so they leased it to one J.A. McAllister at $1.00 a year.

When application for this site was received the whole quarter was under homestead entry to one S. Waltz, whose entry was cancelled, following inspection, following receipt of information that he had disappeared and had left no improvements on this quarter. Exclusive of the school site, it was patented

not being used for the purpose for which it was granted, and, moreover, is being used for other purposes, you are hereby requested to have executed an absolute and unconditional transfer, in duplicate, with proof of execution attached, to be forwarded to the Department for approval, revesting this property in His Majesty King George the Fifth in the right of the Dominion of Canada, free of encumbrance.

Upon approval by the Department, both copies of this instrument will be returned to you, and you will be required to submit this transfer, in duplicate, with payment of the fee required, to the Registrar of Land Titles at Calgary, Alberta, for registration, and thereafter forward duplicate certificate of title to this Department.

Should the transfer submitted not be acceptable to the Department, it will be returned to you with an explanation of wherein it requires alteration or amendment.

Following revestment in the Crown, if effected, and with reference to any subsequent disposition of these two acres, the Department will take such action as prescribed in the Regulations governing the disposal of Dominion Lands.

Sir,

Re Special Grant No. 2059.

As you were advised by my letter of the 29th November last, yours of the 4th October last has been receiving the attention of the Department.

I have therefore to advise you that, with reference to your request for an allowance of $30.00 from this Department to reimburse you for the amount paid for the new site on the North East quarter of Section 10, Township 9, Range 28, West of the 4th Meridian, you purchased, as the grant of the two acres in the North West quarter of Section 10, Township 9, Range 28, West of the 4th Meridian, which you have abandoned, was made following receipt of an application from your board, and without any previous reference to the Department, or any understanding that if the site proved unsuitable the Department would accept any responsibility, no such an allowance can be made.

Moreover, as the two acres in the North West quarter of Section 10, Township 9, Range 28, West of the 4th Meridian, were placed at your disposal only so long as used for the purposes of a school site and for no other purpose or purposes whatsoever, your having abandoned it as a school site terminates the agreement you made with the Department, and your having leased it is a contravention of that agreement which also necessitates revestment of this site in the Crown as the lessee is in illegal occupation of Dominion lands. This is the only action the Department can recognize under the circumstances.

Re N.E.¼ 2-54-8-W.4th M.

In further reference to my letter of the 30th August last and yours of the 19th idem, I beg to say that a report has now been received from the Surveyor General who states that,

"Lake No. 3 in the north east quarter of "section 2, township 54-8-4 was investigated "in June, 1920, by C.M.Walker, D.L.S., who "reported it to be from four to five feet "deep with banks subject to moderate variations. "The part of the lake in this quarter section "has changed very little since the original "survey which was made in 1904."

I regret, therefore, that your application on behalf of your client to acquire the portion of the quarter section covered by the lake cannot be considered.

Your obedient servant,
